TEA

Sencha Senpai	3.50

Milk Oolong	4.90
It's unique character would be best described as having a milky sweet taste that is smooth and pleasurable. The aromatic bright khaki-green leaves of this unique tea create a fine gold brew.	
Royal Pai Mu Tan	4.50
This rare white tea is made from very small buds picked in the early spring, before the buds have opened and once they have been steamed and dried, they look like lots of small white blossoms with the tiny leaves which is why this tea gets the meaning of it's name "White Pony". White tea is pale yellow when brewed, low in caffeine and has a mild, subtly sweet taste.	
Lemongrass	3.50
This fragrant beverage processes tonic effect with fresh lemon taste.	
Ginseng flight of dragon	4.00
